Dear Lester and John:

In December I recommended to Bill Livingston that you, Lester, and you, John, be appointed respectively Director and Associate Director of the Division of Rhetoric and Composition. He approved your appointments orally to me in mid December. The written approval didn't arrive before I left for India on January 1, so it wasn't until I got back that I had the approval in writing.

Anyway, you're both appointed, and no one could be happier than me. Best wishes.

Yours,

*Bob*
